HELDREF
PUBLICATIONS

History & Political Science

In today's world of constant change, it is hard to keep up-to-date with what's going on and all the implications. Heldref Publications offers political science journals that let readers listen in on communications among scholars from around the world. Our journals include full-length articles, book reviews, and other features. Editors and advisors from the scholarly community and universities maintain a high standard for the subjects covered in each journal. Whether you are interested in political theory, Southeast Asia, post-Soviet democratization, or reviews of the latest history books, Heldref publishes a journal you won't want to miss.
